

LIWA Education Programmes for 2010

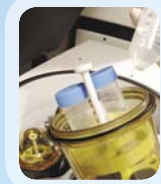

Vacation Cadetships

Full-time medical and science undergraduate students are invited to apply for the LIWA Vacation Cadetship Programme for 2010.

The programme is aimed at students interested in learning about medical and scientific research and undertaking a supervised research project.

A tax free scholarship of \$400 per week for up to 10 weeks full time work is offered to successful candidates. Up to six cadetships are available in a number of areas of respiratory research. Upon completion, the potential exists for part-time employment.

Applications close Friday 16 October 2009 at 5pm.

PhD Top Up Scholarships

Students with outstanding undergraduate results are encouraged to apply for supplementary awards valued at \$10,000 per annum to top up their income for the duration of their research studies with LIWA. Up to four scholarships are available. The awards are open to applicants across Australia who intend to enrol at the University of Western Australia or Curtin University of Technology.

Honours

In its tenth anniversary year LIWA is offering three scholarships for students undertaking an Honours year or a BMedSci year with value of the scholarship being \$5,000.

Travel Awards

LIWA offers two travel awards of up to \$1,750 for junior medical scientists and one travel award of up to \$3,000 for a senior medical scientist. The awards are open to all staff and members of the Institute. Please contact LIWA for information about becoming a member.

Applications for PhD Top Up Scholarships, Honours & Travel Awards close Friday 30 October 2009 at 5pm.

For more information about LIWA, the Conditions & Award and application forms please visit www.liwa.uwa.edu.au, phone 9346 3198 or email admin@liwa.uwa.edu.au

Our philosophy is that everyone who comes into contact with the Institute should be better informed and healthier for the experience.
